DIVE THE RED SEA

7 days/ 6 nights with 5 days of diving
Available year round

[Printer Friendly Format](#)

The Red Sea, incredibly clear water, drop-offs to 800 feet and a nature's palette of underwater colors make this one of the top dive locations in the world. Throw in some big underwater life, like sharks, mantas and more, some world famous wrecks for a real treat and a vacation you will not forget. Offsetting the lively underwater realm is the starkness of the desert shorelines and mountains.

The Red Sea is an excellent place to learn to dive and no one can teach you more than Sinai Divers. Not only are certification classes available in diving but also underwater photography including still and video are offered.

SPECIAL NOTE: We can handle the needs of handicapped divers.
